Venue:
Ramada by Wyndham
Jaisinghpura, Jaipur

APA-EPNOE-GFL International Conference on

Polymers for Advanced Technology

16-18 October, 2024 | Jaipur, India

Organised by

Thematic Symposium

*GFL Symposium on Fluoropolymers
for EVs & Green H2*

*EPNOE Symposium on
Functional Polysaccharides*

*Symposium on
Herbal Bioengineering*

*Symposium on Sustainability
& Circular Economy*

*Symposium on
Food Packaging*

*Symposium on
Nanoengineering*

Plenary Speakers

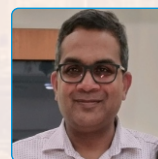

Didier Letourneur
INSERM Paris
France

Bruno Ameduri
ENSCM, Montpellier
France

Joelle Amédée
Univ. of Bordeaux
France

Shishir Sinha
CIPET, Chennai
India

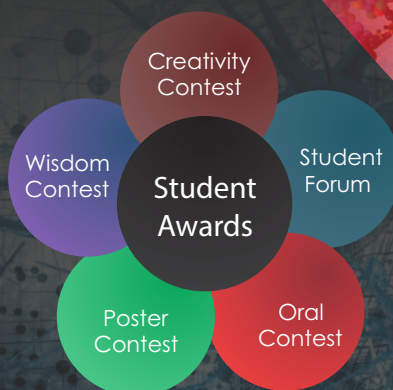

Már Másson
Univ. of Iceland
Iceland

Topics

- Polymer synthesis & Modification
- Functional Polysaccharides
- Polymer processing
- Biopolymers
- Biodegradable Systems
- Nanomaterials & Nanocomposites
- Polymers in Agriculture
- Polymers for Energy Harvesting
- Smart Polymers
- Polymers for Food Packaging
- Biomaterials & Bioengineering
- Antimicrobial Materials
- Fibrous Materials
- Sustainability & Circular Economy

Important Deadlines

Submission of Abstracts - 15 May'24
Acceptance Intimation - 30 May'24
Registration - 30 June'24 (for Presenters)
Registration - 31 July'24 (for Others)
