Asian Polymer Association

Invitation

Asian Polymer Association (APA) is a professional society dedicated to the Polymer Science and Technology at the international level. It offers a creative platform for the people working in polymer domain. APA in collaboration with Department of Chemistry, Saurashtra University, Rajkot, India is organizing this conference to address the priorities and to formulate the action plan to face the challenges ahead. The conference would be dedicated to Polymer Science and Technology with an extensive interaction among academicians, researchers, technologists and policy planners. This is a right platform for the next generation of polymer scientists. APA-2015 conference at Rajkot would play pivotal role in generating advanced polymeric resources for future applications. On behalf of APA and Saurashtra University, Rajkot, we would like to extend our invitation for your active participation in this event at Rajkot.

Importance and theme of the conference

Advanced high performance polymeric materials offer multidirectional applications in various fields such as health care, engineering, aerospace, transportation etc. Molecular architecture decides ultimate applications of advanced polymeric materials. For the betterment of mankind, it is very important to discuss and interact among polymer scientists and technologists. The main objective of this conference is to exchange information on development of new advanced polymeric materials and their different applications

Topics

- ◆ Polymer Synthesis and Functionalization
- ◆ Polymers from Bioresources
- ◆ Polymer Processing
- ◆ Polymer Properties & Characterization
- ◆ Biomaterials & Bioengineering
- ◆ Polymers in Pharmaceutical Science
- ◆ Nanotechnology & Nanocomposites
- ◆ Membrane Science & Technology
- ◆ Polymers for Defence Applications
- ◆ Smart Polymeric Materials
- ◆ Polymers in Energy Sectors
- ◆ Polymers for Packaging
- ◆ Plastic Waste Management and Recycling
- ◆ Polymers in Textile Technology
- ◆ Polymers in Agriculture and Water Conservation
- ◆ Polymers in Public Health

Call for Papers

Papers are invited in the form of oral and poster presentations. All those desirous of participating and/or presenting a paper in the conference are requested to complete the attached registration form and send it to the conference secretariat. Authors are requested to send one-page abstract, online, in the prescribed format.

Abstracts for Oral and Poster presentations should be in Arial Narrow within A4 format. Authors should strictly follow the abstract template as given on the website. The title should be in bold with font size of 12 followed by authors name(s) in the next line, and affiliation in the subsequent line(s) as central alignment. This should be followed by the email ID of the presenting author. The name of the presenting author should be underlined. The text font should be 10 with single spacing. References should be placed at the bottom and should not be cited in the text. The abstract template may be obtained from the website.
